

USER EXPERIENCE RESEARCH NON-DISCLOSURE AGREEMENT & CONSENT FORM

GV Management Company, LLC, located at 1600 Amphitheatre Parkway, Mountain View, California 94043, for itself and the funds under its management (“**GV**” or “**we**”), and the other party identified below (“**you**”) agree as follows:

Purpose. We are conducting a study for the purpose of assisting one or more of our portfolio companies (the “Portfolio Companies”) with researching, analyzing, and improving the usability of their current and proposed products and services (the “Purpose”).

Participation. Participation in this study is completely voluntary. You can decide to withdraw at any point in the study. If you would like the study data to be deleted or not used in the study, let us know and we will do our best to accommodate your request. There will be no adverse consequences for withdrawing.

Collected Data. In the course of your participation in the study, you may be asked to provide comments, feedback, ideas, reports, suggestions, data and/or other information to GV or its designee (collectively, “Collected Data”). In addition, we may take notes, photos, video and/or audio recordings of the session, which will also be considered “Collected Data”. By signing this consent form, you agree to allow GV or its designee to collect the Collected Data, and use it for GV or its Portfolio Companies’ internal purposes as further described below. You also agree that you will not disclose to GV any third-party information that you are otherwise obligated to maintain as confidential.

Use of Collected Data. GV’s research team will review the Collected Data after each study for various internal purposes, including to identify key findings, derive themes and establish patterns of use and determine whether there may be opportunities for product, tool, system, process or environmental improvement. We may conduct this review and analysis in conjunction with, and share the Collected Data with, relevant teams from the Portfolio Company(ies) working on those issues, but we will not publicly disclose any information derived from the Collected Data, unless such disclosure is made on an anonymized or aggregate basis.

Confidential Information. Some Collected Data may consist of or contain information that personally identifies you, such as your image, name, email address, or information that is otherwise confidential, which could include information about your health (collectively, “Confidential Collected Data”). GV will use Confidential Collected Data only for the Purpose and will use a reasonable degree of care to prevent any unauthorized use or disclosure of Confidential Collected Data; provided, however, that your voice and/or image will not be considered Confidential Collected Data.

Any information provided to you by GV during the study will be considered confidential (the “Confidential Information”), and the following terms will apply to such information: (i) you may use such Confidential Information only for the purpose of participating in the study; (ii) you will use a reasonable degree of care to protect Confidential Information and to prevent any unauthorized use or disclosure of Confidential Information; (iii) you may not photograph, capture or record Confidential Information; and (iv) you may not share Confidential Information with any third party in any manner.

Confidential Collected Data and Confidential Information do not include information that: (i) was known to the receiving party without restriction before receipt from the disclosing party; (ii) is publicly available through no fault of the receiving party; (iii) is rightfully received by the receiving party from a third party without a duty of confidentiality; or (iv) is independently developed by the receiving party. A party may disclose Confidential Collected Data or Confidential Information when compelled to do so by law if it provides reasonable prior notice to the other party.

Applicable Law. By signing this form, you acknowledge that GV and its designees, which are the parties collecting the Collected Data, are not subject to the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), and that none of the activities involved in achieving the Purpose of the study will create “protected health information,” as that term is defined by HIPAA. GV agrees to comply with applicable law with respect to your Collected Data, including applicable federal and state privacy laws.

General Provisions. Neither party acquires any intellectual property rights under this agreement except the express and implied rights acquired by GV and the applicable Portfolio Company(ies) to use the Collected Data for the Purpose. This agreement represents the parties' entire agreement on this topic, superseding any prior or contemporaneous agreements, and may not be assigned without GV's consent. Any amendments must be in writing. This agreement is governed by the laws of the State of California, excluding its conflict-of-laws principles. The exclusive venue for any dispute relating to this agreement shall be Santa Clara County, California. This agreement is effective as of the date set forth below.
